Music for Characters, Stories, and Worlds

Animation Games VTubers OST

Producer Kailoe · Co-Producer Wheely Jung · vvers.com

ABOUT

A music studio for projects with characters and worlds

We learn the world first

Characters, setting and scenes come first. Then we write music that fits only your project.

One composer, start to finish

Composition, arrangement, mixing and mastering by the composer, so the sound stays as intended.

Global collaboration

Work with vocalists and creators in and outside Korea, from J-Pop, K-Pop and J-Rock to orchestral.
